TRADITIONAL INSTALLMENT LOAN

ESTIMATED MONTHLY PAYMENT MATRIX

Traditional Installment Loan empowers your customer to get the home improvements they want now, instead of waiting. As an unsecured credit based loan, homeowners need not put their house up for collateral with a HELOC or put additional debt on a high interest credit card. Interest rates range from 8.99% to 15.99% fixed APRs. As a result, we are showing you the lowest and the highest monthly payment estimates as a range for use with your customers. A customer specific payment will be quoted when we assess credit and relay approval during the loan application.
